

LIONS GATE OF NAPLES, INC.

BARBECUE GRILL USAGE GUIDELINES

May 2012

All users of the barbecue grill are responsible for the cleanliness of the grill and the grill area after each use. Anyone using the grill does so at his/her own risk, and is responsible for reading and complying with the grill rules and directions.

1. The service elevator should be used (when available) for carrying food to and from the building.
2. Cooking tools and utensils are to be provided by those using the grill.
3. The grill must not be left unattended while in operation.
4. After cooking the wire brush (provided) must be used to remove any food residue.
5. Barbecuing must be completed before 9:00 P.M.
6. As outlined in the Association Pool Rules, no food may be consumed in the pool area.
